

"THE VISITOR" Davis Memorial Christian Church (Disciples of Christ)

July 9, 2024

Calling All Disciples

Our mission as disciples is simple: Tell Others About Jesus!

We all know that's not as simple as it sounds.

Jesus Calls the First Disciples

Do you feel comfortable telling people about Jesus?

Do you know how?

Jesus chose fishermen, tax collectors, farmers—ordinary people like you and I to follow him and be His Disciples.

Join the Outreach Mission Team on Saturday, July 20, 2024 at Davis Memorial Christian Church from 10:00 a.m. to 3:45 p.m. to learn how to begin to be an active disciple of Jesus

Free Lunch included (Italian beef, chips, salad)

For more information or to sign-up, call the church office or Kim Brune at 217-825-8595.

<u>Minister's Column</u>

If you're going through a difficult time right now, I want you to know that God loves you. He sees what you're going through, He is with you, and He desires to help you right where you are.

Psalms 34:18 NLT says: "The Lord is close to the brokenhearted; He rescues those whose spirits are crushed."

When we are hurting, God hurts with us.

Maybe you feel like things have gotten too difficult and there's nothing good left for your future. That is what the enemy wants you to believe, but God has something else to say...

"For I know the plans I have for you," says the Lord. "They are plans for good and not for disaster, to give you a future and a hope." (Jeremiah 29:11 NLT)

Our enemy, Satan, wants to discourage us and make us feel like things will never get better...like there's no way out. He wants us to believe that we're all alone.

I dealt with a very bad habit for years, and there was a tendency to keep it hidden. It's easy to isolate ourselves and feel like no one else can possibly understand.

The enemy likes it when we keep things hidden in the dark. However, God is Light, and when we discover what He has to say and when we allow Him to shine His light onto and into our situation, it brings freedom and hope.

I think it's common for people

to feel embarrassed when it comes to bad habits, depression or having thoughts of suicide. But the greatest thing we can do in these situations is tell someone else and get it out in the open.

If that's where you are today, I encourage you to take a step of faith and reach out to a close friend or a trained Christian counselor.

Don't allow the enemy to keep it hidden, but take the opportunity to get things out into the light.

Lord, Thank You for all the help you gave me in some of my hardest times in life. Thank You for the strength to keep going. Thank You for the Love and knowledge You put around me from others and Yourself. Thank You for saving me. Amen. When things seem hopeless turn to the One who provides hope for the hopeless.

-Dennis

Dear Members of the DMCC Congregation:

During the past couple of years, the Board of DMCC has done a great job of monitoring and controlling the church's expenses, always looking for ways to decrease those expenses. From a budgeting perspective, utilities are the second largest expense that we incur. (Everything in the church is electric) and our bill is \$2,400 per month on the Equalizer plan.

In the past few weeks, we have been communicating with Ameren and local contractors, investigating ways to lower our utility costs. Solar panels are a viable option of permanently cutting our utility bills in 1/2. Here are the details:

Initial Investment: \$95,940...money coming from our Investment Account, which are funds that have been entrusted to us by faithful supporters of our church, to be used to advance God's purposes.

Cash credit/reimbursement back to the church, after approximately one and one half years from the date of installation of the panels...\$66,309.

Total of funds invested after above mentioned

reimbursement...approximately

\$32,000.

Explanation: 82 solar panels (25 year warranty) would be installed on the South roof side of the Fellowship Hall. No other panels will be installed anywhere else on our building. Bv placing the panels only on the South side of the Fellowship Hall, it is our belief that the panels will not overwhelm the appearance of our church. By making this investment now, we will cut our total utility expenses approximately in 1/2; with a four and one half year payback of our invested funds. After that time, our utility bills will permanently be cut in half.

The DMCC Board will be addressing this "Investment in our Future" at our August 8th, 2024 regular Board Meeting.

If you have any questions, please call Dick Adams at 217-827-5336.

Thank you for your consideration.

Respectfully, Dick Adams
