**HAPPY
VALENTINE'S
DAY**

Minister's Column

"We now have this light shining in our hearts, but we ourselves are like fragile clay jars containing this great treasure. This makes it clear that our great power is from God, not from ourselves."
(2 Corinthians 4:7 NLT)

We are fragile clay jars containing a great treasure in our hearts.

"And yet, O Lord, you are our Father. We are the clay, and you are the potter. We all are formed by your hand."
(Isaiah 64:8 NLT)

If we allow our Father, He will mold this great treasure into so much more.

"The Lord is compassionate and merciful, slow to get angry and filled with unfailing love. He will not constantly accuse us, nor remain angry forever.

He does not punish us for all our sins; he does not deal harshly with us, as we deserve. For his unfailing love toward those who fear him is as great as the height of the heavens above the earth. He has removed our sins as far from us as the east is from the west. The Lord is like a father to his children, tender and compassionate to those who fear him. For he knows how weak we are; he remembers we are only dust."
(Psalms 103:8-14 NLT)

God formed Adam out of "the dust of the ground," according to Genesis 2:7, and Psalm 103:14 says, "He remembers we are only dust."

Though we are weak and imperfect, when we fill ourselves with the Word of God, we become containers of His blessing, ready to be poured out for His use.

All of us are valuable to the Lord; God can use even a cracked pot! But first we must be wholly consecrated to God. 2 Timothy 2:21 reminds us.

"If you keep yourself pure, you will be a special utensil for honorable use. Your life will be clean, and you will be ready for the Master to use you for every good work."
(2 Timothy 2:21 NLT)

Today, let's allow God to do incredible things in and through our lives.

Father God, I am Yours. I want to be a vessel fit for Your use. I will continue to dedicate myself to You. I want to be filled with Your Word, fit and ready for every good work You have for me. In Your Son's Name I Pray Amen, Amen.

-Dennis

J-Walkers: Walking with Jesus

J-Walkers (an afterschool program) is being held on

Thursdays at First United Methodist Church (200 S. Walnut). Each week students will be transported from North School & Memorial School. The goal of this program is to introduce children to Jesus, letting them know how much they are loved. The times are from right after school until 5:00 p.m.

First Sunday Potluck

Our next Potluck will be on Sunday, February 1st right

after our worship service. Everyone is invited to stay and eat with us. The main dish and drinks will be provided, but you are asked to bring a side dish. There is a sign-up sheet in the Narthex.

Cracked Pot

There was an old man who lived in a village in India. Every morning, he would place a long stick across his back, hang a water pot from each end, and walk several miles to the river to get fresh water for his family.

But the two water pots were not the same. One had a series of small cracks in its side, causing it to leak.

The old man would fill both pots at the river, but by the time he got back to his home, the cracked pot would be half empty, the water having leaked out during the walk.

The cracked pot grew increasingly ashamed of its inability to complete the task for which it was made. One day, while the old man filled the two pots at the river, the cracked pot spoke to him.

“I’m sorry. I’m so embarrassed that I cannot fulfill my responsibilities as well as the other pot.”

The old man smiled and replied, “On the walk home today, rather than hanging your head in shame, I want

you to look up at the side of the path.”

The cracked pot reluctantly agreed to do as the old man asked. As they left the riverbank and started on the path, he couldn’t believe his eyes. On his side of the path was a beautiful row of flowers.

“You see,” the old man said, “I’ve always known you had those cracks, so I planted flower seeds along your side of the path. Each day, your cracks helped me water them. And now, I pick these flowers to share their beauty with the entire village.”

What if the things that make you imperfect in one light actually make you perfect in another?

What if you are the cracked pot, imperfect for its assumed task, but perfect for a more creative one?

Sometimes all it takes is one person who can help you see yourself in a new light. Who can show you a better way. Who knocks you off the default path and onto your path.

Find those who see your full, unique, imperfect self and embrace it.

Life is too short to spend it with people who constantly try to fix you. To change you. To mold you into their vision.

The cracks you've been taught to hate make you perfect...

For a person you haven't even met yet. For a task you haven't even found yet. For a journey you haven't even started yet.

You are the cracked pot. Perfectly imperfect. Remember that.
